

Bridlington Half Marathon

Sunday, 19th October 1986

The original copy of the results that I borrowed had several problems

1. The photocopy was too feint to successfully scan - so I had to re-type it
2. A few parts were too feint to actually read.
3. I estimate that the last 2 pages are actually missing completely

I am looking for a better copy to put the above problems right.
